

# Connolly for Kids Hospital

www.connollyforkidshospital.com

We are asking **Enda Kenny** to build the new Children's Hospital at Connolly Hospital beside the M50 instead of at St.James's Hospital in Dublin City Centre.

Advantages of Connolly are : **145 Acres - Expansion Space, Easier Access** for all Ireland, **Extensive Parking, Co-location** with **Adult Hospital** and the new Rotunda **Maternity Hospital** at Connolly leading to **Better Clinical Outcomes** for children. And - it will be **Cheaper** and **Faster** to build.
